A MESSAGE FROM THE PRESIDENT

Welcome to the 172nd Flower & Vegetable Show: the pinnacle of the Society's year. This is the moment when flowers, shrubs, pot plants, fruit and vegetables, handicraft, preserves and baking as well as the work of young people finally are scrutinised by the Judges. It's an anxious and tense time for all exhibitors. But it's all been worthwhile when that red 'FIRST' sticker appears and even better when the Prize Card tells you the Trophy is yours. Probably over the decades and through generations of professional and amateur gardeners the feelings of anxiety, exultation and relief have been the same. This is what keeps the Show alive.

Each year approx.70 per cent of Society members participate in the Show, if not as exhibitors, then as stewards or scribes, helping in the tearoom, selling plants, running the Tombola or other stalls that raise vital funds for the Show. There are many members to thank for all the work done both before and during the event. Across the country Flower Shows have been in decline mainly because people cannot afford the time it takes over many months to complete all the preparatory tasks. The Society's Chairman and members of the Show Committee led by Lesley McGowan have worked tirelessly to ensure the Show continues at the high standard we expect. Thank you to all of them

A strong feeling of satisfaction (sometimes despair !) is felt on Show day when family, friends and members of the public come along to see what has been achieved and witness the prize giving when those sparkling Trophies are presented for another year. The Trophies themselves tell the history of the Society and identify the great gardeners of the past who taught us so much. Willie Clelland, Archie Leitch and Jack Revie were my special mentors and now we hope we are passing our enthusiasm and expertise to the next generation. Through the Society's Schools Bulb Competition, we encourage youngsters to take up gardening and possibly be the exhibitors of the future.

Good luck everyone!

Kathleen Murray

Helensburgh and Gareloch Horticultural Society warmly invites you to take part in the Annual Flower and Vegetable Show

The Show is an open show, anyone can exhibit, you do not have to be a member of the Society, and there is no entry fee. The Society's aim is to encourage entries in this local Show and to welcome everyone who wishes to exhibit in any of the sections. We are always willing to help newcomers to work their way through the schedule and explain the rules by which the Show is run. So if you do not understand the difference between "species" and "variety" or what a Board Display is, don't worry – just ring and you will be given every encouragement to become part of this year's Show.

If you would like to enter in 2024 just complete the entry form and send it to Lesley McGowan. 16 Pladda Way
